

MEETINGS, CONVENTIONS & EVENTS

RAMADA[®]
PLAZA
MINNEAPOLIS

HERE, MEETINGS ARE BEYOND CONVENTION.

There's your average, run-of-the-mill meeting. And then there's your meeting here. Where there are flexible spaces that welcome glorious natural light, a cozy courtyard for "recess," tantalizing menus, no-worries state-of-the-art AV equipment, and, with an easy reservation, a lift to the fun and excitement of two different buzzing metropolis adventures.

Ten ways to a not-so-average meeting

1

Have a casual brainstorming session while listening to our "Creative Booster" playlist (or bring your own audio favorites; we're happy to help you set the mood).

6

Take in the light. Our Itasca ballroom has a skylight that bathes your meeting in natural light.

2

Have a "recess" or team building activity in the courtyard, complete with great food and set-the-mood music.

7

Host a summer outdoor movie night in the courtyard. Perhaps *The Man in the Grey Flannel Suit*?

3

Use our free Wi-Fi to easily check back at the office on your breaks. Or to post #greatmeeting pics on Instagram.

8

Have a breakout team-bonding event at a Twins Game. Or the St. Paul Winter Carnival. With a simple reservation, our shuttle will take your smaller group there, no problem.*

4

Ask us to rearrange the furniture, or rearrange the room. You've never seen flexible like this (unless you're a yoga guru).

9

Want to reward particularly promising new employees? Have your upper management team give out coupons for "get to know you" dinners at Scalzo's Italian Grille.

5

Loosen up and swap jokes right before the presentation begins. Our seriously no-sweat AV equipment means you'll be stress-free, right up until you press play.

10

Snazz up your holiday party. We provide chair covers and lighting for the featured table.

Questions, comments, concerns, or a small voice in the back of your head not quite happy? We've got your back. Get instant help from our professional meeting consultant.

SERIOUSLY. NO COMPARISON.

Not your average guidebook to the Twin Cities

There are plenty of things to do in the Twin Cities, but we chose to share those less expected, local gems you won't find anywhere else.

- 1. St. Paul Saints:** Theme nights, sumo races between innings, and a pig named "Mudonna" for a mascot — don't miss out on one of these wacky professional baseball games.
- 2. Riverview Theater:** From big Hollywood blockbusters to independent art films — step back in time and enjoy a movie at the neighborhood theater with retro 1950's décor.
- 3. Summit Ave./Grand Ave.:** Take a stroll down beautiful Summit Avenue and admire the historic churches, synagogues, schools and homes. Then head over to Grand Avenue for some local, eclectic boutique shopping.
- 4. Bryant-Lake Bowl:** Dinner, drinks, bowling, or a show — this upbeat, funky restaurant, bar, bowling alley and theater has it all.
- 5. Surly Brewing:** Surly beer is a local favorite. And with a new destination brewery, it's worth a stop. The brewery features nearly twenty beers on tap, with rotating seasonal brews, plus a tasty food menu.
- 6. Sculpture Garden:** You can't visit Minneapolis without taking a photo with the Spoonbridge and Cherry.
- 7. First Ave:** This iconic concert venue made famous in the movie *Purple Rain* is a must-see for all the music lovers.
- 8. The Chain of Lakes:** Canoe or paddleboard on Lake Calhoun, or join a game of beach volleyball on Lake Harriet. In the winter, ice skate on Lake of the Isles.
- 9. Eat Street:** The name says it all — from Vietnamese to American, Italian to German, this is where you go for some of the best eats in the cities.
- 10. Open Book:** Part literary arts museum, part sunlit Coffee Gallery cafe, part handmade paper, journal and book art store, this is a space for those inspired by or interested in books.
